

The Riders Working Hunter League sponsored by Blue Grass Horse Feed.

The second round of the very popular Riders Working Hunter league took place at Gransha Equestrian Centre last Saturday where we were very pleased to announce that Blue Grass Horse Feeds have offered to sponsor the league. There will be a feed voucher for each class winner in all the qualifying rounds and prizes for the final. The next round of the league is at Lusks Equestrian Centre on Saturday 28th November.

Saturday's judge, Alison Kirkpatrick ably assisted by Courtney and Kirsty Stuart watched a high quality field with lots of the seasoned campaigners out again for another winter and a nice collection of new youngsters starting their first indoor season.
