Notes

- The combined training consists of a dressage test and one round of show jumps (10-12 obstacles). Competitors will ride their dressage test first, this will be judged under British Dressage rules for example, snaffle bits and no martingales. Changes can then be made to tack if necessary before completing a round of jumps.

- Scoring – Marks for the dressage phase will be calculated as a percentage and faults incurred in the show jumping phase will be deducted. Show jumping – Knock down = 4 faults, 1st refusal = 4 faults, 2nd refusal = 8 faults, 3rd refusal = elimination. First fall of horse or rider or both = elimination.

- Juniors and seniors will compete separately. Juniors being under 16.

- The dressage only league will be run as a separate class for competitors who do not wish to jump.

- It must be the same horse and rider combination in both phases and through the entirety of the league.
- The competition will be run as a league. 1st-10th in each class will be awarded points.
- To be eligible for prizes on the final competitors must compete in 3 out of the 4 shows, one of which should be the final.
- Entries should be sent to:
